

Our Mission

The mission of Atlas Physical Therapy and Sports Medicine is to provide superior quality physical therapy care in a professional and personal environment. In a very competitive environment with many choices, we pride ourselves in high quality, individualized care where the patient's well-being is our main con-

We are Proud Members of :

*Kingdom of Callaway
Chamber of Commerce*

Aquatic Program

We are proud to offer the option of aquatic therapy at the Holiday Inn Express. If your physician recommends aquatic exercise, there are two ways to access this.

For aquatic physical therapy, which may be covered by insurance, you need a physician's prescription specifying aquatic physical therapy.

We also offer the Arthritis Foundation's Aquatic Program. This is a recreational, group exercise class developed and sponsored by the Arthritis Foundation. The cost is \$5/class or \$35 for an 8 class punch card. Please contact Kelly Nickelson for further information.

Fitness Program

Atlas offers a Fitness Program available to the public. Fitness program members are not required to schedule an appointment, you may come in anytime during clinic hours. The cost is \$20.00/month for unlimited use.

A note is required from your physician stating you are physically able to exercise without assistance. If you have questions or would like to participate in the program, please contact us at 642-8541.
